If the application is approved, and the approved boundary line adjustment is implemented, I understand it is my responsibility to contact the Prairie Ronde Township Assessor or his/her designee for assignment of an address for each resulting new parcel; and it is also my responsibility to arrange for the appropriate deeds or other intended instruments of conveyance of property for which this application is approved to be executed within 90 days from the date of approval, and filed with the Township and recorded with the Kalamazoo County Clerk/Register of Deeds as required by law within 21 days after such instrument is executed.
